

SWTC research activity

Cartwright N, Demaine A, Jahromi M, Sanders H, Kaminski ER

A study of cytokine protein secretion, frequencies of cytokine expressing cells and IFN-G gene polymorphisms in normal individuals.
Transplantation 1999, 68: 1546-1552

Cartwright AH, Demaine AG, McGonigle RJ, Rowe PA, Shaw JF, Szydlo RM, Kaminski ER.

Cytokine secretion in mixed lymphocyte culture: a prognostic indicator of renal allograft rejection in addition to HLA mismatching.
Transplant Immunology 2000, 8: 109-114

Cartwright NH, Keen LJ, Demaine AG, Hurlock NJ, McGonigle RJ, Rowe PA, Shaw JF, Szydlo RM, Kaminski ER

A study of cytokine gene polymorphisms and protein secretion in renal transplantation
Transplant Immunology 2001, 8: 237-244

Suresh V, Carey BS, Shaw S, Tse Y-W, Cartwright N, Akob J, McGonigle R, Rowe , Kaminski E

A retrospective study of the prognostic impact of cytokine secretion in mixed lymphocyte culture on long-term graft function following allogeneic renal transplantation.
Transplant International 2005 18: 1067-1071

West MCT, McGonigle RJS, Akoh JA, Shaw J, Shaw S, Rowe PA

Acute Rejection – Are We Using The Correct Immunosuppression?
British Renal Symposium, Manchester, June 2001
Peninsula Medical School Academic Evening, Plymouth, June 2001

West MCT, Hewitson C, Cunningham R, Rowe PA

Utility of Quantitative Monitoring of CMV Infection After Renal Transplantation.
South West Nephrology Forum, Taunton, May 2001
American Society of Nephrology, San Francisco, October 2001
J. Am. Soc. Nephrol 2001; 12: 952A

Roberts JR, Rowe PA, Shaw JFL, Akoh J, West MCT, Demaine AG

Analysis of IL-6 Cytokine Levels in Renal Preservation Solutions After Static Storage
British Transplant Society, Cambridge, June 2002

West MCT, Shaw S, Akoh JA, McGonigle RJ, Shaw J, Tse WY, Rowe PA

Risk Stratified Immunosuppression for Renal Transplantation
British Transplant Society, London, April 2003

Boorer L, West MCT, Rowe PA, Godfrey D, Shaw J, McGonigle RJ, Akoh JA, Tse WY

C2 Monitoring – An Early Experience
British Transplant Society, London, April 2003
British Renal Society, Birmingham, May 2003

Godfrey D, West MCT, Tse WY, Boorer L, McGonigle RJ, Rowe PA

High Prevalence of Osteopenia and Osteoporosis in Renal Transplant Patients
Renal Association, Keele, May 2003

M.C.T. West, W.Y. Tse, R. J. McGonigle, J. Akoh, J. Shaw, H. Cramp, S. Shaw, P. Rowe

Immunosuppression Protocols for Renal Transplant
British Transplant Society, Belfast, April 2005
British Renal Society, Manchester, Spring 2005

L. Boorer, M.C.T. West, W.Y.Tse, P.A. Rowe, J. Akoh, H. Cramp, J. Shaw

Cyclosporin (C2) monitoring-A Continuing Experience.
British Transplant Society, Belfast, April 2005
British Renal Society, Manchester, Spring 2005

The SWTC is also taking part in the Ppart study investigating the use of pump perfusion for kidney preservation and the ACRE study into collaborative approaches to potential donor families.
